**MEMORANDUM FOR :** The Chairman, State-Defense Military  
Information Control Committee

**SUBJECT :** Dissemination of National Intelligence  
Estimates [redacted]

25X1

1. The members of the Intelligence Advisory Committee (IAC) have reviewed the proposal by the State-Defense Military Information Control Committee (S-DMICC) with respect to broadening the present distribution of National Intelligence Estimates [redacted] as outlined in your memorandum of 23 April 1957.

25X1

2. I am happy to advise that the members of the IAC concur in the substance and purpose of S-DMICC's proposal. In concurring, the members do not, of course, wish to imply that they endorse any particular system of marking or stamping documents. It is assumed that S-DMICC [redacted] will devise an appropriate formula to meet [redacted] needs, ensure adequate US control and obviate the necessity for renegotiating the [redacted] Security Agreement.
